## **ICL TO HOST INVESTOR DAY IN NEW YORK**

*ICL Management to Ring Closing Bell at New York Stock Exchange*

*Tel Aviv, Israel and New York, NY, May 18, 2015* – **ICL (NYSE & TASE: ICL)**, a global manufacturer of products based on specialty minerals that fulfill essential needs of the world's growing population in the agriculture, processed food and engineered materials markets, today announced it will host an Investor and Analyst Day on May 19, 2015 at The New York Palace. The webcast will begin at 9:00 a.m. ET. Presenters will include Stefan Borgas, President and CEO, Kobi Altman, EVP and CFO, and additional senior executives.

As seating at the event is limited, presentations will be webcast simultaneously and available live to investors and the media on ICL's website, [www.icl-group.com](http://www.icl-group.com). A replay of the webcast will also be available following the completion of the event on the Company's website.

ICL also announced that members of its senior management team will ring the Closing Bell® at the New York Stock Exchange ("NYSE") on Thursday, May 21, 2015. ICL shares began trading on the NYSE on September 24, 2014 under the symbol "ICL".

"ICL is proud to ring the Closing Bell at the NYSE on behalf of our employees, investors, customers and all of our stakeholders," said ICL's President & CEO, Stefan Borgas. "Our first U.S. Investor and Analyst day is an important milestone for our company since listing on the NYSE last September. We look forward to providing an update on our business and discussing ICL's growth strategy with the investment community."

The Closing Bell will ring at 4:00 p.m. ET. Live broadcast will begin at 3:55 p.m. and can be viewed on the NYSE's website at <https://www.nyse.com/bell>. Photos and video of the NYSE Bell Ringing Ceremony will be available, courtesy of the NYSE, on Facebook (NYSE); Twitter (@NYSE and @NYSECam), #NYSEBell #NYSE, and on the NYSE YouTube Channel -- nysetv1. The bell ringing will also be available for live viewing on CNBC, Bloomberg Television and FOX Business News.

### ***About ICL***

ICL is a global manufacturer of products based on specialty minerals that fulfill humanity's essential needs primarily in three markets: agriculture, food and engineered materials. The agricultural products that ICL produces help to feed the world's growing population. The potash

and phosphates that it mines and manufactures are used as ingredients in fertilizers and serve as an essential component in the pharmaceutical and food additives industries. The food additives that ICL produces enable people to have greater access to more varied and higher quality food. ICL's water treatment products supply clean water to millions of people, as well as to industry around the world. Other substances, based on bromine and phosphates help to create energy that is more efficient and environmentally friendly, prevent the spread of forest fires and allow the safe and widespread use of a variety of products and materials.

ICL benefits from a broad presence throughout the world and proximity to large markets, including in emerging regions. ICL operates within a strategic framework of sustainability that includes a commitment to the environment, support of communities in which ICL's manufacturing operations are located and where its employees live, and a commitment to all its employees, customers, suppliers and other stakeholders.

ICL is a public company whose shares are dual listed on the New York Stock Exchange and the Tel Aviv Stock Exchange (NYSE and TASE: ICL). The company employs approximately 12,500 people worldwide, and its sales in 2014 totaled US\$6.1 billion.
