Contracts for the Sale of Potash to Customers in China

The Company hereby announces that it has signed several contracts with its customers in China to supply an aggregate 700,000 metric tonnes of potash for delivery during 2016. The contracts also include options for purchase of additional quantities. The selling prices stipulated in the contracts are in line with the recent contract prices in China. The contracts are part of three-year framework agreements between ICL and its Chinese customers.
