Immediate Report on an Exception Event or Matter, not part of the Corporation's Usual Business

In accordance with the Securities (Immediate and periodic reports) Regulations, 5730-1970.

Results of a issue to be report on BT20, not on this form.

Substance of the event: Award of the Desalinization Tender at Sorek

1. Notice is hereby given that the subsidiary **I.D.E. Technologies, Ltd.** (hereinafter, "IDE"), owed 50% by ICL and 50% by Delek Infrastructure, Ltd., gave notice that SDL Desalinization Ltd, which is owned by IDE (51%) and Hutchinson Water (49%) was selected to build the desalinization facility at Sorek. The facility to be built at Sorek is planned to be the largest desalinization facility in Israel, which will supply 150 million cubic meters of desalinized salt water *per annum*.
2. Date and time when the Corporation first knew of this event or matter:
December 15, 2009 at 10:00 a.m.

Reference numbers of previous documents on this subject (mention is not to be considered inclusion):

Previous names of the reporting entities.

Format updated: October 2009
